

MapRun Gloucestershire 2021

Bishops Cleeve

21st October 2021

The Bishops Cleeve Maprun on Thursday 21st October 2021 will start from the new development off of Gotherington Lane GL52 8EN.. There is a new shopping complex at this post code and plenty of residential parking in the area as well as a small car park. The start and finish will be at this location. It is a new venue for us, and the event itself will take you to new and very pleasant areas as well as visiting some parts of the village that we have used before.

New version of MapRun available: We strongly recommend that you uninstall *MapRunF* and all previous versions of the app, and download and install **MapRun6** from your app store. Generally earlier versions will work; they just won't be able to take advantage of some of the new features which we may use.
